

Key

Road Closed

Proposed diversion route

- Notes:**
1. Traffic Management layouts and procedures shall be based on the recommendations of Chapter 8 of the Traffic Signs Manual 2009 published by Her Majesty's Stationary Office. This drawing is a guide only.
 2. TM Contractor is required to produce traffic management layout drawings as per Chapter 8 recommendations. These drawings will then be submitted for approval by the design team along with the pricing pack.
 3. TM Contractor is required to provide emergency access to the side roads through out the work.
 4. Emergency vehicular access shall be maintained through the road works section all the time during works. TM Operatives are required at each end of the works to provide safe access to Emergency Services.
 5. TM contractor is required to erect road closure information signs on site 2 weeks before the start of the work.
 6. Do not scale from this drawing.
 7. Report all discrepancies to the Drawing Originator immediately
 8. This drawing is to be read in conjunction with all relevant documents and drawings
