

OXFORDSHIRE COUNTY COUNCIL

OXFORDSHIRE COUNTY COUNCIL

ROAD TRAFFIC REGULATION ACT 1984 – Section 14(1)

Notice of Temporary Traffic Order
Carterton, Upavon Way, Monahan Way, Burford Road
Prohibition of Through Traffic and Waiting
Date of Order: 27 March 2023
Coming into force: 3 April 2023

This Order is being introduced because of carriageway resurfacing works which are anticipated to be completed on 3 May 2023. Works will take place between 19:00 to 06:00 each night.

The effect of the Order is to temporarily prohibit any vehicle proceeding or waiting in the whole length of Upavon Way, Monahan Way and Burford Road.

Appropriate traffic signs will be displayed to indicate when the measures are in force.

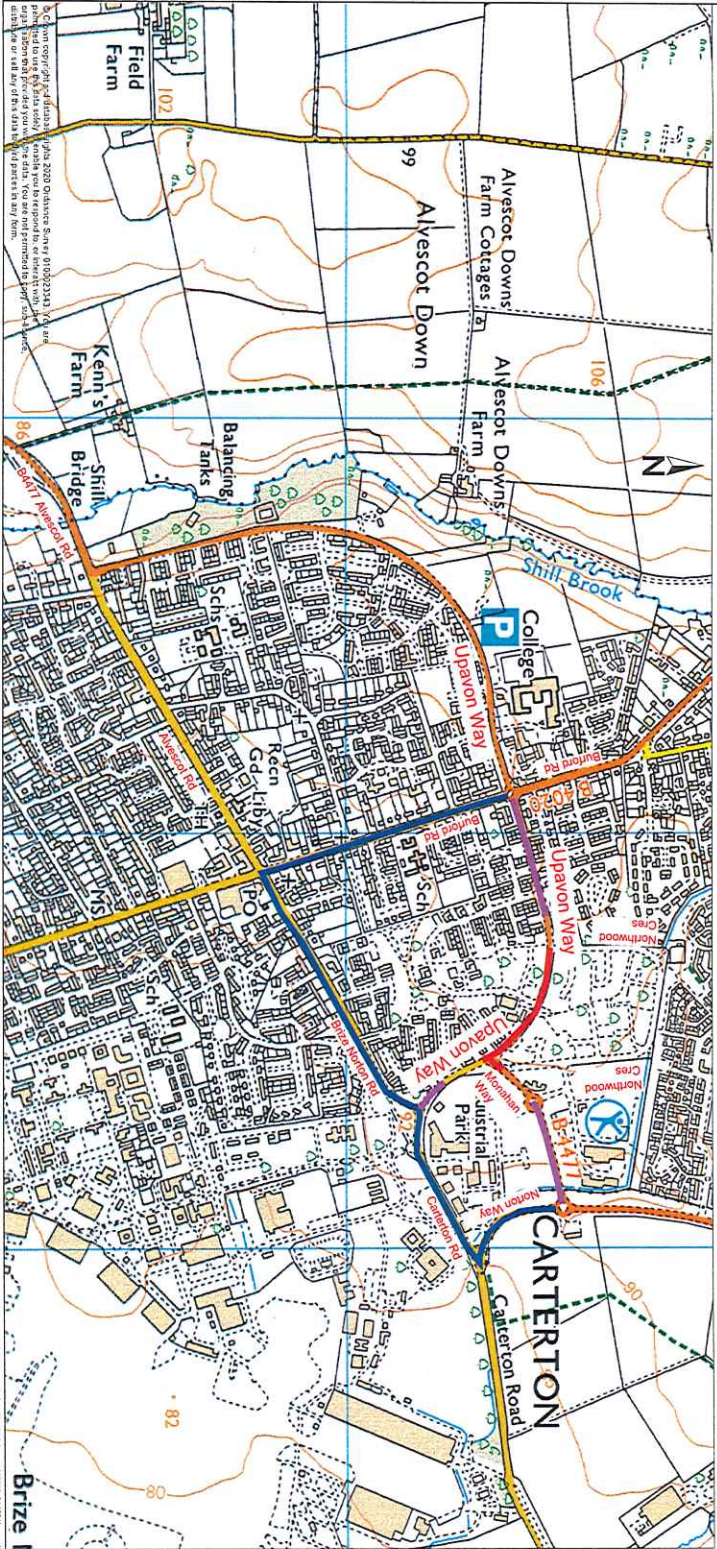

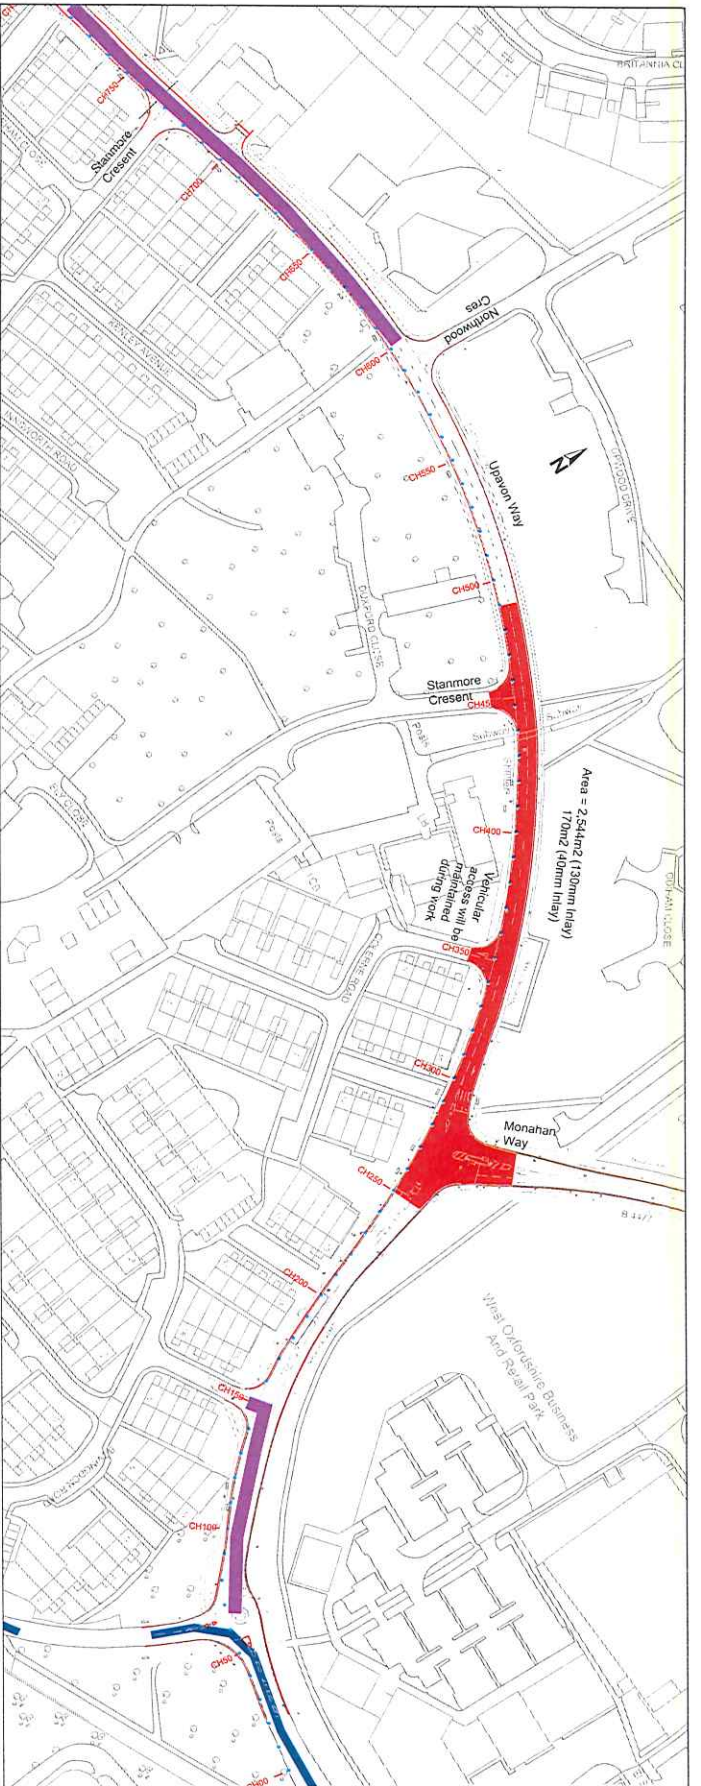

Exemptions are included for police, fire and ambulance services and for the works and for access to premises which are only accessible from the closed section of road.

The alternative route for traffic affected by the closure is via the locally signed diversion route- please follow diversion signs.

This Order will remain in force for a maximum period of 18 months or until the works have been completed whichever is the sooner.

Traffic Regulations Team (T11218 / RAG) for the Corporate Director :
Environment and Place, County Hall, Oxford OX1 1ND. 0345 310 1111.

- Key**
- Road closed
 - Proposed detour route
 - Road closed access only

- Notes:**
1. Traffic Management by signs and procedures is what is based on 5000 vehicles per hour in the proposed detour route.
 2. The Contractor is responsible for providing traffic management during the construction period. The Contractor must ensure that the proposed detour route is safe and that the proposed detour route is clearly marked.
 3. The Contractor must ensure that the proposed detour route is clearly marked with signs and cones.
 4. The Contractor must ensure that the proposed detour route is clearly marked with signs and cones.
 5. The Contractor must ensure that the proposed detour route is clearly marked with signs and cones.
 6. The Contractor must ensure that the proposed detour route is clearly marked with signs and cones.
 7. The Contractor must ensure that the proposed detour route is clearly marked with signs and cones.
 8. The Contractor must ensure that the proposed detour route is clearly marked with signs and cones.
 9. The Contractor must ensure that the proposed detour route is clearly marked with signs and cones.
 10. The Contractor must ensure that the proposed detour route is clearly marked with signs and cones.
 11. The Contractor must ensure that the proposed detour route is clearly marked with signs and cones.

Regulation 104 Assessment

Wherever possible, a risk assessment of the proposed scheme should be carried out during the design process. Where this is not possible, a risk assessment should be carried out at the start of the construction period.

REGULATION 104 - FURTHER SAFETY RISKS
